FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL

RE: Complaint Concerning Possible Violations of the Federal Election Campaign Laws by Tan D. Nguyen, Candidate for Congress, California 47th Congressional District, November 2006, and Tan Nguyen for Congress Committee (FEC I.D. No. C00399113)

Dear Ms. Duncan:

On behalf of California Attorney General Edmund G. Brown Jr., I make the following complaint to the Federal Election Commission concerning possible violations of federal election campaign laws by Tan Nguyen, candidate in California's 47th Congressional District, November 2006, and the Tan Nguyen for Congress Committee (F.E.C. I.D. No. C00399113). The Attorney General will provide in a separate mailing all the materials acquired in his investigation of the subject matter set forth in this complaint. The Attorney General alleges that the following violations of the Federal Election Campaign Laws occurred and are proven by his investigation:

- failure to report a contribution and/or expense, in violation of 2 U.S.C. § 434(a)(1), (b);
- making and/or accepting a contribution in excess of \$2,000, in violation of 2 U.S.C. § 441a (a)(1)(A), (f);
- failure to make a disclaimer on a "public communication" as being authorized and/or financed by the campaign, in violation of 11 CFR 110.11.

Gary W. Schons, Senior Assistant Attorney General, Division of Criminal Law, Office of the Attorney General, State of California, 110 West "A" Street, Suite 1100, San Diego, California 92101, hereby deposes and says on information and belief and under penalty of perjury:

Between October 11 and 13, 2006 approximately 13,937 letters were sent to voters in California's 47th Congressional District (Orange County) who were registered Democrat or Declined to State and who had Hispanic surnames and were listed on voter rolls as being born outside the United States. A copy of that letter, the envelop it was sent in and a translation by University of Southern California language Professor Robert Ignacio Diaz are attached directly to this letter for the ease of the reader. The receipt of this letter by registered voters in the 47th Congressional District caused great concern in the Hispanic community as it was viewed as an attempt to intimidate voters and contained information which was either false or misleading. The letter also falsely identified the sender as "Sergio Ramirez" on behalf of the California Coalition for Immigration Reform when in fact the letter was composed, authorized and paid for solely by Tan Nguyen and individuals working in his campaign.

For example, the letter stated that an "immigrant, voting in a federal election is a crime which may result in imprisonment. . . ." Clearly, an immigrant, who becomes a naturalized citizen of the United States, is entitled to vote. Further, the letter stated "that the federal government is setting up a new computerized system to verify names of all new registrants who vote in the . . . elections." This is false.

The California Attorney General immediately directed an investigation, which I headed. That investigation established the following facts as related to the letters sent to the select, but nearly 14,000 registered voters in the 47th Congressional District:

Tan Duc Nguyen was the Republican Party nominee in California's 47th Congressional District in the fall 2006 election. The Tan Nguyen for Congress Committee (F.E.C. LD. No. C00399113) served as his campaign committee in that election and was located at 12995 Main Street, Garden Grove, California. Although Ryan Flynn was the nominal campaign manager, Roger Rudman, a friend and confidant of Tan Nguyen, directed much of the campaign's activity and, in particular, authored, formulated and directed the mailing of the campaign's letters and other "public communications." The campaign employed Chi Ngoc Dinh as its affairs manager. Dinh's fiancée and roommate, Mark Nhan Huu Vo Nguyen, was a longtime and close personal friend of Tan Nguyen. Mark Nguyen assisted the campaign in many ways when not on duty as a police officer with the Los Angeles Police Department.

In early August 2006, Tan Nguyen met with the Orange County Registrar of Voters, and, among other things, discussed his concern over the possibility of improperly registered voters (non-citizens) participating in the 47th Congressional District election. The Registrar told Nguyen there was little he could do to confirm a voter's citizenship as they registered. Thereafter, the Nguyen campaign, and in particular, Tan Nguyen and Roger Rudman, became

12044314014

concerned with the possibility of improperly registered voters participating in the upcoming election.

On September 1, while on a trip to Guatemala, Roger Rudman authored the letter which would later be translated into Spanish and sent to the nearly 14,000 registered voters in the 47th Congressional District. Rudman e-mailed the letter to Robert Tapia, an associate who was a proficient Spanish speaker and from whom he sought a translation of the letter into Spanish. He also e-mailed the draft of the letter to Chi Dinh and Tan Nguyen at campaign headquarters. Sometime later, Robert Tapia translated the letter Rudman had authored into Spanish and e-mailed the translation to Chi Dinh. This was the text of the letter sent to the registered voters in the 47th Congressional District in October.

Between September 5 and 8, 2006, Tan Nguyen ordered from Political Data, Inc. a list of voters in the 47th Congressional district who were registered Democratic or Declined to State with Hispanic surnames and who were born outside the United States. On September 8, Political Data, Inc. provided electronically a list of these registered voters, numbering nearly 13,000, to Nguyen, and the Nguyen campaign later paid for this service.

On September 15, Barbara Coe, a supporter of Nguyen's campaign and the head of the California Coalition for Immigration Reform (CCIR), an anti-immigrant group based in Huntington Beach, California, sent a facsimile to Tan Nguyen at his campaign office with a note concerning a "flyer" regarding non-citizens voting and included four pieces of unused CCIR stationary. Chi Dinh placed these materials on Tan Nguyen's desk at the campaign office.

On September 16, Tan Nguyen gave Chi Dinh a piece of the CCIR stationary which had been sent by Barbara Coe and directed her to create a mailing envelop and stationary on her computer using the CCIR logo with certain modifications. After completing this task, Dinh showed the mock-up of the envelop and stationary to Tan Nguyen and he selected the motif eventually used on the letters which were sent to the registered voters in the 47th Congressional District in October.

On September 17, Tan Nguyen replied to Roger Rudman's e-mail of September 1 containing the original draft of the letter and made certain comments regarding the text of the letter. Thereafter, Tan Nguyen directed Dinh to take the CCIR letterhead with the modifications previously made and to merge it with the Spanish translation of the letter which had been provided by Robert Tapia. Dinh performed this task.

On approximately September 21 or 22, Mark Nguyen asked Dinh to print out a finished version of the letter and to give it to him. At that time, the letter showed the "author" as

12044314015

Thomasenia Duncan

June 20, 2007

Page 4

12044314016

"Roberto Gonzales," a name "made up" by Rudman to appear as the author of the letter. On September 22, Mark Nguyen took the letter to a fellow police officer, Sergio Ramirez, had Ramirez read the letter and sign it. Ramirez did so and returned the letter to Mark Nguyen. Mark Nguyen returned to the Tan Nguyen campaign office with the letter now signed by Sergio Ramirez and gave it Chi Dinh. Dinh changed the type-written name of the "author" to Sergio Ramirez. Dinh then provided a finished version of the letter to Roger Rudman and Robert Tapia for approval. By e-mail, Tapia responded that the signature of Sergio Ramirez appeared "too feminine." Rudman, who was present at the campaign office, agreed. Mark Nguyen then rendered a "Sergio Ramirez" autograph which Dinh scannned onto the letter, presented it to Tapia and Rudman and they approved it.

On September 26, Mark Nguyen gave Chi Dinh his e-mail password and asked her to use his Yahoo e-mail account to send the letter to Mailing Pros, a mailing service located in Huntington Beach, California, commonly used by the campaign for its public mailers, in order to have the letter sent out. Dinh sent the letter and envelope mock-up to Mailing Pros by e-mail from Mark Nguyen's Yahoo e-mail address.

On September 28, Political Data, Inc. e-mailed to Tan Nguyen a file of newly registered voters which fit the profile of voters sought by Nguyen in early September. This list included approximately an additional 1,464 voters.

On October 5, while both were present in the campaign office, Chi Dinh asked Tan Nguyen to forward from his computer to her computer the ZIP files provided by Political Data, Inc. listing the registered Democrat and Declined to State Hispanic surnamed voters who were born outside the United States. Tan Nguyen did so and Chi Dinh forwarded these ZIP files to Mailing Pros, together with a final version of the letter and envelope.

Between October 6 and 9, Mark Nguyen communicated with Mailing Pros concerning the status of the letters which were to be mailed out to the approximately 14,000 registered voters. On October 9, Mark Nguyen advised Tan Nguyen that there was a delay in the dispatch of the letters by Mailing Pros and urged him to call Mailing Pros to prompt the company to mail the letters. Tan Nguyen called Mailing Pros and urged the company to expedite the job being done for his friend, Mark.

On October 11, Mailing Pros delivered 12,205 of the letters ordered by Mark Nguyen to the United States Postal Service for bulk mailing.

On October 12, Mark Nguyen went to Mailing Pros and gave them his personal VISA card to pay for the mailing and signed a charge in the amount of \$4,304.57. Mark Nguyen later

Thomasenia Duncan

June 20, 2007

Page 1

told me that he never sought reimbursement for this expense from Tan Nguyen or the Nguyen campaign.

Between October 12 and 13, Roger Rudman and Tan Nguyen exchanged e-mails commenting on the "merits" of the letter and how it might be "received" by the voters.

On October 13, Mailing Pros delivered an additional 1,732 letters to the Postal Service for mailing.

The registered voters, to whom the letters were addressed, received the letters in the mail between October 14 and 16, and complaints were immediately made to the Attorney General.

I believe that the formulation and mailing of these letters by the Nguyen campaign constituted a "public communication" and violated provisions of the Federal Election Campaign Laws, specifically, 11 CFR 110.11, in that it failed to include a disclaimer indicating that the letter was authorized by the Tan Nguyen campaign and the candidate, himself, and that the costs of mailing the letter were paid either by the Tan Nguyen campaign and/or Mark Nguyen. The fraudulent nature of the letter, as appearing to originate with the California Coalition for Immigration Reform, and the false statements in the letter, may also constitute additional, separate violations of federal law and regulations within the jurisdiction of the Federal Elections Commission.

I also believe that the failure of the Nguyen campaign to report the expenses of sending the letter either as an expense of the campaign and/or as a contribution from Mark Nguyen violated the Federal Election Campaign Laws, specifically 2 U.S.C. § 434(a)(1), (b), and constituted the making and acceptance of a contribution in excess of \$2,000 in violation of 2 U.S.C. § 441a(n)(1)(A), (f). The latest filing by the Tan Nguyen campaign, its pre-general election filing on October 31, 2006, for the period October 1 through 18, which covered the period of the mailing of the letters, fails to disclose any expense in connection with the mailing of the letters and fails to disclose Mark Nguyen's payment for the mailing of the letters as a campaign contribution.

A review of the Federal Elections Commission website indicates that the Tan Nguyen campaign has failed to make required filings for the period October 19 through November 27, 2006, for the year-end period of November 30 through December 31, 2006, and for the period January 1 through March 31, 2007, and that the campaign failed to appoint a new treasurer within 10 days of the resignation of its treasurer, in further violation of the Federal Election Campaign Laws, set forth in Title 2 United States Code, section 434(a)(1) and 11 CFR 102.2 (a)(2) et seq.

Based on these specifications and the materials to be provided to the commission, the Attorney General of the state of California requests that the Federal Elections Commission investigate the allegations in and surrounding this complaint and resolve the complaint as required by law.

**CREDO**

**ILLEGAL IMMIGRATION IN THE U.S.** has become a serious and growing problem for decades. Our borders are now **OUT OF CONTROL**, and we as **CITIZENS** are paying a very high price.

**IRRESPONSIBLE IMMIGRATION, ASYLUM AND AMNESTY MANDATES** (in which **WE** had no voice) have been initiated by **SPECIAL INTEREST** groups and supported by many of our elected representatives. These people have embraced **"ILLEGALS' RIGHTS"** at the expense of **"CITIZENS' RIGHTS"** to such a degree that they are now in danger of extinction.

**THE U.S. HAS SOVEREIGNTY OVER ITS TERRITORIAL BORDERS!** It is **ILLEGAL** to enter it in violation of our immigration laws, and **CITIZENS** have the legitimate **RIGHT** to expect these laws to be enforced! However, liberals, self-serving politicians and cheap labor advocates have made a mockery of these laws. They have not only allowed **MILLIONS** of **ILLEGAL ALIENS** to jeopardize our very way of life, but defend their "right" to do so! Statistics repeatedly prove that **ILLEGAL ALIENS**, first committing a criminal act by violating our borders and then bringing their values and culture to our midst, are major contributors to our mounting financial burdens as well as moral and social decay.

**BILLIONS OF CITIZEN TAX DOLLARS** and **FREE** goods, services and medical care to **ILLEGALS** (many of which are denied to **CITIZENS**). **MORE BILLIONS** are used to combat their gang, narcotics and other violent crime activity. Jail and prison costs are outrageous. The education system is swamped with **ILLEGALS**, for whom we are paying, while the children of **CITIZENS** no longer receive a decent education due to lack of funding. Add to these the direct and indirect costs of depleted natural resources, unwarranted bilingual education, freeways choked with their unregistered, uninsured vehicles and other problems related to overpopulation. We have all the ingredients for a national disaster, which has already occurred in California.

**ALTHOUGH GOVERNMENT OFFICIALS ARE WELL AWARE OF THE PROBLEMS**, there is notably little decisive action from Washington. Many city, county and state officials totally avoid the issue in fear of offending "voting blocks" or violating the "rights" of **ILLEGALS** who have already committed a criminal act and, according to our laws, should be deported, not demanding more "rights"!

**CITIZENS MUST BE MADE AWARE OF THE CLEAR DANGER THAT THE U.S. MAY BECOME A "THIRD WORLD" NATION!** Citizens are being victimized and penalized by the presence of **ILLEGAL ALIENS**. Our government encourages their illegal, irresponsible acts and abuses of our system.

**CCIR** is a duly incorporated non-profit, non-partisan group. It is comprised of a diverse group of individuals and organizations who believe that citizenship is a **PRIVILEGE**, not a **RIGHT**. Citizenship is not a fringe benefit to be handed out indiscriminately to those who have not earned that privilege by supporting our system in a responsible and constructive manner.

We further believe that those who have chosen to violate our borders have **NO RIGHTS** (other than humane treatment) while in this country and should be immediately deported as prescribed by U.S. law. **WE ARE COMMITTED** to specific Goals and Objectives to preserve the rights and freedoms for which our forefathers fought and died, which those who come after us should and will inherit.

## STATEMENT BY SENATE MAJORITY LEADER GLORIA ROMERO REGARDING VOTER INTIMIDATION IN ORANGE COUNTY

Los Angeles, CA - California's Senate Majority Leader Gloria Romero (D-East Los Angeles), who serves on the Senate Committee on Elections, Reapportionment and Constitutional Amendments, issued the following statement today in response to the letter sent to Latino voters by the California Coalition for Immigration Reform:

"I have very grave concerns about the most recent effort to intimidate Latino voters in Orange County by the 'California Coalition for Immigration Reform.' Targeting voters by race and nationality is a reprehensible tactic reminiscent of the Jim Crow era. Voting is a cherished right in this country - one that Latinos and other minority communities historically fought hard to win.

The individuals hiding behind this umbrella "Coalition" are doing nothing more than throwing a cloak over their true agenda - to suppress the Latino vote in the upcoming crucial November election. Suppressing the vote of the people undermines the very foundation of our democracy, and makes a mockery of voting rights protections.

We are Americans too, and on election day we will exercise our right to vote. We will not be intimidated or turned away from participating in this great American democracy.

I call upon the Secretary of State Bruce McPherson and the Attorney General Bill Lockyer to expeditiously investigate this matter."

## TRANSLATION OF CCIR LETTER TO VOTERS IN ORANGE COUNTY

Greetings (Name),

You are being sent this letter because you were recently registered to vote. If you are a citizen of the United States, we ask that you participate in the democratic process of voting.

You are advised that if your residence in this country is illegal or you are an immigrant, voting in a federal election is a crime that could result in jail time, and you will be deported for voting without having a right to do so.

At the same time, you are advised that the government of the United States is installing a new computer system to verify the names of all new registered voters that vote in the October and November elections. Anti-immigration organizations can ask for information from this new computer system.

Unlike Mexico, here there is no incentive to vote. There is not a voter registration card in the United States. Therefore, it is useless and dangerous to vote in any election if you are not a citizen of the United States.

Do not listen to any politician that tells you the opposite. They are only looking out for their own interests. They only want to win elections without any regard to what happens to you.

Sincerely,

AGO - 00297
